OTHER COURSES:

THE CORRECT WAY TO REPAIR A BALL MARK

1. Place divot tool in ground directly around ball mark.
2. Push the earth forward over the ball mark.
3. Do this repeatedly around entire ball mark until fixed.
4. Gently tap down the earth with your putter.

PACE OF PLAY ETIQUETTE

- Do not use the honour system, when a player is ready, execute shot
- Ready golf means thinking ahead so when it becomes your turn, you are ready to play
- Keep your pre-shot routine to 15 seconds or less, especially on greens. Putt continuously until you hole out.
- Good golf etiquette does not mean staying ahead of the group behind you; rather, it means keeping up with the group in front of you
